

Oxygen Forensic® All-Access Training Pass

The Oxygen Forensic® All-Access Training Pass (AATP) gives subscribed customers access to all available training courses for one low price*. The Oxygen Forensic® BootCamp course serves as a prerequisite. Once completed, students may take their remaining courses in whatever order they choose.

AATP includes access to

OFBC: 5-Day Oxygen Forensic® BootCamp Course

OFAA: 3-Day Oxygen Forensic® Advanced Analysis Course

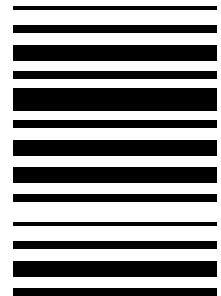

OFDA: 1-Day Oxygen Forensic® Drone Analysis Course

OFCE: 1-Day Oxygen Forensic® Cloud Extraction Course

XiB: 3-Day Oxygen Forensic® Extractor In a Box Course

Prerequisite: OFBC: 5-day Oxygen Forensic® BootCamp course

*Nearly a 30% savings compared to if purchased individually

As part of the curriculum and course price, an eManual is provided. The eManual is not updated after taking the course. If students would like a continually updated eManual, an Annual eManual Subscription is available for separate purchase. The Annual eManual Subscription will allow updates throughout the subscription period, as long as the course has been taken. Please note, subscriptions are limited to one person. View the eManual [here](#).
