

Oxygen Forensic® All-Access Pass

The All-Access Pass (AAP) is an annual subscription that gives customers access to all available training courses for one low price. It now includes four new courses, **at no additional charge**.

Our flagship solution, Oxygen Forensic® Detective, is continually upgraded with new features. AAP offers unlimited annual access to training courses, so you can stay up to date with those upgrades, at a **fixed low price**.

AAP includes the following courses:

- 3-day Oxygen Forensic® Boot Camp (OFBC)
- 3-day Oxygen Forensic® Advanced Analysis (OFAA)
- 3-day Oxygen Forensic® Extraction in a Box (XiB)
- 1-day Oxygen Forensic® Drone Analysis (OFDA)
- 1-day Oxygen Forensic® Cloud Extraction (OFCE)
- 1-day Oxygen Forensic® Detective Viewer (OFDV)

As of June 2022, AAP also includes these new courses, **at no extra cost**:

- 1-day Oxygen Forensic® Agent Triage (OFAT)
- 1-day Oxygen Forensic® Analytic Investigations (OFAI)
- 1-day Oxygen Forensic® KeyScout Collection (OFKC)
- 1-day Oxygen Forensic® Data Presentation (OFDP)

To purchase an AAP, visit
oxygen-forensic.com/contact-us

or contact your Account
Executive directly.

We look forward to talking with
you at one of our training
courses!

With each course an e-Manual is
provided. View the e-Manual
demo [here](#) or scan the QR code:
